University Press of New England. Paperback. Book Condition: new. BRAND NEW, Black No More: Being an Account of the Strange and Wonderful Workings of Science in the Land of the Free (New edition), George S. Schuyler, James Miller, Black No More, George S. Schuyler's satiric romp, is the story of Max Disher, a dapper black rogue of an insurance man who, through a scientific transformation process, becomes Matthew Fisher, a white man. Matt dreams up a scam that allows him to become the leader of the Knights of Nordica, a white supremacist group, as well as to marry the white woman who rejected him when he was black. Black No More is a hysterical exploration of race and all its self-serving definitions. Ishmael Reed, one of today's top black satirists and the author of Mumbo Jumbo and Japanese by Spring, provides a spirited introduction.
