Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

MAKING NOISES

OverDog Press, United States, 2015. Paperback. Book Condition: New. 2nd. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.If you've ever wanted to make it in music, then Making Noises is your novel. Marty is a rock musician on the wrong side of thirty who needs to change his tastes in music, women and cities. Billy is fifteen, talented and in prison. The two are thrown together by the fast-talking former politician, Perce Perk Harrigan, whose powerful friends have handed him the plum job of launching the Oz Rock Foundation. Oz Rock uses taxpayer dollars to promote hip bands and quietly lift the Prime Minister's youth vote. Harrigan and his sultry but fascist assistant, Ingrid, need to spin Oz Rock into orbit despite the cynics. They enlist Marty's help to manipulate Billy to the top of the music charts. But their greatest enemy may not be the one publicly calling for Harrigan's head. * Euan Mitchell, author of the independent bestseller Feral Tracks, knows his rock n roll . and this laid-back, ironic take on the music industry in the 90s captures the spirit of the time. It's fast-paced and grungy, full of backroom intrigue and colorful characters. The Age Loved it. I felt I knew almost all the seedy, manipulative, gold-digging music biz characters - but fortunately only on a two-faced, air-kiss kind of basis . Funny, astute, honest. Rob Hirst, Midnight Oil In the same way that Spinal Tap is not a fiction, neither is Making Noises. The stuff in both stories really does happen. John Archer, Hunters Collectors Euan Mitchell does a nice line in laid-back prose. Sydney Morning Herald.
