After a year spent caring for baby elephants in Africa, Neelie Sterling is preparing to return to the States and a life filled with exes--ex-boyfriend, ex-husband, ex-house, ex-horse. But she is leaving behind some unfinished business in Zimbabwe: a very special elephant targeted for execution. With the help of her new friend Diamond-Rose Tremaine, an eccentric safari operator, Neelie manages to buy some time for the imperiled pachyderm, knowing that when she lands in New York they'll need to raise funds for his rescue. Once they're home, everything becomes a struggle. Neelie and Diamond-Rose now must relearn how to survive in an urban jungle of table manners and real beds while coping with the overbearing affections of Neelie's family. Harder still, Neelie desperately needs the help of her wealthy conservationist ex-boyfriend, Tom, to save the magnificent creature--and swallowing her pride just might be the biggest challenge of all.
