Lulu.com, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Post Event is a tabletop, pen and paper role playing game. The core rule set is designed to breathe life into the world as it falls apart. It is not setting specific, rather, scenario specific. The rules are designed to be played through an end-of-the-world scenario, or the timelines directly following one. With a simple combat system, skill system and checking systems, the rules are designed to be light weight to keep the focus on the story. Post Event s rules shine with the SUR survival system, where players must consistently fulfill the hierarchy of human needs to survive. Bundled with the core rule set is a campaign setting filled with meaningful descriptions, enemies and story. With added pre-arranged characters included, players can jump right into the township of Bear Lake to meet up with the resistance!.
