

Inverting the Pyramid: The History of Football Tactics

Filesize: 8.95 MB

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better then never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, Inverting the Pyramid: The History of Football Tactics, Jonathan Wilson, In INVERTING THE PYRAMID, Jonathan Wilson pulls apart the finer details of the world's game, tracing the global history of tactics, from modern pioneers right back to the beginning when chaos reigned. Along the way, he looks at the lives of great players and thinkers who shaped the sport and probes why the English, in particular, have 'proved themselves unwilling to grapple with the abstract'. This fifth-anniversary edition of a football modern classic has been fully updated to include an investigation of the modern-day Barcelona and how their style of play developed from Total Football, which itself was an evolution of the Scottish passing game invented by Queens Park and taken on by Tottenham in the 1930s. It also analyses different styles in the early British game and the changing mentality of South American football in the 1970s, as well as looking at the birth of the 3-5-2 system so prevalent today.
