

History and Women, Culture and Faith: Selected Writings of Elizabeth Fox-Genovese: v. 4: Explorations and Commitments: Religion, Faith, and Culture

Filesize: 4.91 MB

Reviews

This written book is excellent. It typically is not going to price a lot of. I found out this book from my dad and i encouraged this book to discover.

University of South Carolina Press. Hardback. Book Condition: new. BRAND NEW, History and Women, Culture and Faith: Selected Writings of Elizabeth Fox-Genovese: v. 4: Explorations and Commitments: Religion, Faith, and Culture, Ann Hartle, Sheila O'Connor-Ambrose, Mark A. Noll, Following Fox-Genovese's lifelong discourse concerning the individual and the community, Volume 4, Explorations and Commitments: Religion, Faith, and Culture, contains twenty-five essays that document her migration from a secular historian's understanding of religion to a view of faiths informed by her conversion to Roman Catholicism. Throughout her journey, Fox-Genovese firmly asserted that the church offered past and present protection to culture against the excesses of modernity by advocating the sanctity of life, preserving the importance of the family, and respecting genuine community. Mirroring Fox-Genovese's recognition of the importance of religion to the development of history and the underpinnings of a common culture, this volume begins with a series of essays examining the value of studying religion through a historical lens. Even prior to her conversion, Fox-Genovese's personal blending of Marxism and feminism led her to become an advocate for the sanctity of human life, believing that abortion was the abhorrent nadir of a society that valued economic gain, individual freedom from responsibility, and untrammelled personal liberty over natural human relationships. When Fox-Genovese converted to Catholicism in 1995, she refined many of the previous themes that had characterized her lifelong work to reflect the fulfillment of a Christian sense of community, faith, feminine and familial identity, and culture. The essays in this volume provide an intimate perspective to Fox-Genovese's faith transformation as she investigated a variety of literary, philosophical, economic, and socio-political issues. Volume 4 also includes a foreword by Mark A. Noll, the Francis A. McAnaney Professor of History at the University of Notre Dame and author of *America's God: From Jonathan...*
