Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Celebrated Violinists, Past and Present Lest there be readers of this book who are inclined to cavil because it does not include the name of one or other of their best friends or pet musical gods, I would like to say that though one or two biographical sketches have been added to the original work, yet the book never was intended to be a perfect dictionary of violinists. Dictionaries exist in numbers already. The aim of the present volume is to give a few more details concerning some of the greatest of stringed instrument players than room could be found for in an ordinary biographical dictionary. It will, I think, be generally conceded, that no name of the first importance has been omitted. In view of later editions the translator will esteem it a favour if readers will send corrections of any mistakes to the publisher. I have nothing to add to my note which appeared in the first edition; but I may be allowed to thank those gentle readers who have made a second edition necessary. They, and others of a later generation, will much oblige by inwardly digesting the final paragraph of the first edition.
