Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In diverse financial scrimmages Jay Gould and his adversaries fought to survive and prosper in the difficult markets of the early 1880 s. This historical drama represents his promptitude against discontented creditors, prompt detractors and provoked distrusters. This play is one of the Gouldium, a series of dramas on the life and times of Jay Gould. As in most of these plays there are seven scenes of dialogue and seven choral episodes. Certainly the oddest if most distinctive book of verse I ve seen since Hector was a pup. The depth of your hatred for Keynesian economics, that could sustain you through 1564 tightly wrought couplets, is dumbfounding. - X. J. Kennedy on Shakespeare Versus Keynes. I can certainly endorse the quotation on the back cover: the depth of your hatred for Keynesian economics.is dumbfounding. - Robert Skidelsky, renowned biographer of Keynes. You ve blended very well the traditions of Shakespeare, Homer, and the English language sonnet, without erring on the side of pretense. The language is high, direct, and modern. I m thrilled with these. Zachary Bos, editor of Sixty Six: a journal of sonnet studies.
