Green Books. Paperback. Book Condition: new. BRAND NEW, Gardening for Profit: From Home Plot to Market Garden, Kate Collyns, More and more of us are discovering the rewards of growing our own food - and there's plenty of advice to be found on how to do so. But what about producing larger quantities to sell? And even trying to make a living from this amazing and essential thing? This book is for anyone who is interested in selling some produce for profit - whether just surplus from a vegetable garden or wholesale from a fully developed professional business. It takes you step by step through all the aspects you'll need to think about, including: \* finding land \* winning customers and marketing your produce \* working out what equipment you'll need (and how much to budget for) \* sourcing funding \* managing your accounts - and doing the tax and legal paperwork \* deciding which crops to grow. With an extensive directory of invaluable contacts and resources, Gardening for Profit is packed with solid, first-hand advice. It provides all the reassurance you might need that earning an income from horticulture is perfectly possible.
