Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

JUSTICE DELAYED: THE CATHERINE JANET WALSH STORY

Artists Orchard, LLC, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.An estranged husband who was a former high-school sweetheart. A suitor spurned after a night of boozing and dancing. A secret early-morning lover. These were three of the five viable suspects police were investigating after 23-year-old Catherine Janet Walsh s parents discovered her half-nude body in her bed that Saturday morning of a sultry Labor Day weekend in 1979. But there was not enough evidence to convict any of them. Thirty-two years later, thanks to the emerging science of DNA forensics, Detective Andrew Gall, who was the initial responding officer to the murder scene, had a prime suspect in this cold case. Sperm left on the stored evidence -- a nightgown, a robe tie to bind the young secretary s hands, and a bandana used to strangle her -- pointed to one of the five men who had motive and/or opportunity to kill her. But this true saga of liquor- and sex-tinged murder that disrupted a small riverside blue-collar town where crime was rare and everybody was related or friends, was only beginning. Now came the trial - no prosecutorial slam dunk, despite the scientific and forensic evidence - as the story of the murder was told in a courtroom drama involving internationally renowned forensics and DNA experts, conflicting character testimony, questionable alibis, and compromised memories of one long night and early morning of dancing, drinking, partying, and death.
