The Old School Speaks Series hones the much-coveted term used for respected elders in the Black community. Dr. John Y. Odom explains his ownership of the word in the Introduction of the first book within the series, *The Old School Speaks: Vote Every Time*. . . Being older doesn't mean being frozen in time, and it doesn't mean quietly taking one's place on the dusty shelf of a museum. A large part of the problem is that old school members of society haven't said enough. We haven't provided enough guidance or coaching; we haven't shared enough of the truth about our stories and our struggles.
