Rowman & Littlefield Publishers. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.9in. x 6.0in. x 0.7in. You're a smart guy. You read *The Perfect Storm* and now you find yourself living it. Your daughter, who yesterday was happy to hang out with you at Home Depot, now cries for no known reason. Last week you were her soccer coach and the best dad there ever was, really, and today on the way home from practice she turned away and stared sadly out the window and wouldn't say a word to you. She's hovering around adolescence and all of a sudden you're flopping on the daddy-deck in a panic. What the heck is about to happen and how are you going to get through this? How can you help her get through these difficult years when honestly, you don't totally understand it yourself? If you're a single dad, it can get all the more complicated. You might not know who or where to go to for the real deal, the inside scoop. When did her body start to change? Where the heck do you buy a training bra, and when do you have to take her or can you pay someone else to do it? What about dating? Or the girl clique thing you've heard about. Can't you just ignore it and raise her just like you would a son, just like you were raised? This book is for any man raising a tween or teen daughter, but particularly the single man who does or doesn't have full-time custody. This is the definitive guide to helping dad and daughter get past survive and onto thrive. Written for any man raising daughters, the authors geared this book for the single dad who may not have a woman in his life with whom...
