Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

ARE MEN OBSOLETE?

Ebury Publishing. Hardback. Book Condition: new. BRAND NEW, Are Men Obsolete?, Caitlin Moran, Camille Paglia, Hanna Rosin, Maureen Dowd, "Men are so last century. They seem to have stopped evolving. The Mad Men world is disappearing and the guys are struggling to figure out the altered parameters of manliness". (Maureen Dowd). "Do women get anything from men being obsolete? Do we win by triumphing in work, education, the economy, politics and business, while retaining homemaking and child rearing? If that happened then we will be doing everything! Are men obsolete? No! I won't let you be you f*****s!" (Caitlin Moran). Are Men Obsolete is an essential and entertaining read for anyone interested in what happens next in the great gender discussion. Maureen Dowd, Caitlin Moran, Camille Paglia and Hanna Rosin debate whether modern man is past his sell-by-date, and, if so, what does that mean for women?.
