Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is a natural tendency by women to be the more submissive sex during sexual activity, and that would certainly be required for our playtime. (Please note that if this tendency toward submissive behavior is not how the woman is then this playtime and training likely won't work that well.) Incidentally if someone is looking for a cheap, easy to find male desensitizer cream; over the counter hemorrhoid creams can work well. I would urge the man to test it out on himself before being with a woman as if too much is used he might not even feel enough sexual stimulation to get hard! The man needs to know what just the right amount to use is and chances are it's a significantly small amount. This book comes with two additional free bonus books (making it a \$20.85 total value!) Your books are presented in this order: 1) 100 Great Lines To Put In Your Personal Ad 2) The Absolutely Essential Guide to Erotic Breast Massage 3) Playtime At The Dom Den; A Step-by-step Guide...
