The Great Silence: Britain from the Shadow of the First World War to the Dawn of

By Nicolson, Juliet.

Grove. 1 Cloth(s), 2009. hard. Book Condition: New. In this superb follow-up to her detailed snapshot of preWorld War I England, *The Perfect Summer*, Juliet Nicolson pieces together colorful personalities, historic moments, and intimate details of daily life to create a social history of the two years following the Great War. "If, instead of looking at the great sweep of history, you take just two years, and you find out the small, everyday things that people of all stations in life were doing the king and his manservant, the prime minister and the postman you can convey a sense of the past that no conventional history can offer. The method enables [the author] to take us into places that even people who think they know something about the period did not know existed. This is a small treasure-house of a book from a writer who understands the vital importance of small details." *Guardian* (London) 302.

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.
