Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Kindergarten Lessons for Church Sunday Schools: A Manual for the Instruction of Beginners While the Sunday School Commission of the Diocese of New York has been editing a very complete system of Subject-graded Text Books for Sunday School pupils in the secondary and high schools, it has been unable until now to produce the right material for the elementary and kindergarten grades. It has, however, constantly had these grades in mind and has sought to meet their needs. At last the kindergarten has had a truly model Text Book at its call. For four years, an expert kindergartner of St. Andrew s Church, Detroit, has been giving particular attention to the production of a Teacher s Manual that should combine thoroughly pedagogical Kindergarten Methods and Principles with sound Church Teaching and the atmosphere of reverence and worship, even more essential in the early stages of child-development than in later years. The result has been even far beyond our anticipation and has fully justified the long delay. No one can read the Author s Preface through without catching the vision of the possibilities of the Kindergarten in the Church, dealing with what is perhaps, in many ways, the most vital and impressionable period of all life. The course is planned for a year of fifty-two lessons; but in many schools having a long summer vacation period, it can be made into a two-year course. We all, however, produce a Second Year book, eventually. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
