OUT OF ORDER POEMS

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 8.8in. x 5.9in. x 0.5in. from the Foreword: The author is a distinguished scientist in the Yale medical school, but her knowledge ranges far beyond the limits of science and embraces all of humanist culture. I also know of few contemporary poets who can so convey the wonder of human existence so close to its terror, and in a voice intimate yet elusive in its authority-that edges towards the visionary. The highest intensity, among many intensities, is to be found in her volume *Fragmented*, a sequence of poems for her late husband. They are among the finest poems of mourning I have ever read. A virtuosity of form and technique matches the intensity of the emotion in a stunning lyrical sequence. -CLIVE BUSH: Professor and poet, Kings College, London from the Introductory Essay: Laura Manuelidis is not someone who writes verses -she is a poet by all the pulsation of her soul. There are some poets who have a subtlety, but dont have a passion; others have a passion but unfortunately at the expense of subtlety have lost all passion. She has a rare quality: her passion is subtle. I admire her lines: If I were one stripe of a shirt On the back of a man Would I wrinkle Or would I smile Between the angles of his scapulae -YEVGENY YEVTUSHENKO : Russian Poet another Commentary: We have in this collection a poetry that is direct and brave, from a knowing and a felt intelligence that can come only from a life lived fully. And that life-as scientist and doctor, mother, lover and friend-is put before us with passionate honesty, to herself and to her reader. Poems and science, she writes, must make nature visible. And she indeed does as she...
