BRAND NEW, Successful Dog Adoption, Sue Sternberg, Expert guidance in choosing the right dog -the first time Written by a renowned expert in shelter adoption, Successful Dog Adoption delivers all the information you need to find the perfect dog at a shelter and make him part of your family. In easy-to-understand language, Sue Sternberg helps you decide if you're ready to adopt by evaluating your reasons and translating them into what you should look for in a particular dog. Featured here are detailed tests and observations used by professionals to ascertain the temperament and compatibility of shelter dogs-now made available to the public for the first time. You'll discover how to determine risk factors in an unknown dog, gauge a dog's potential reaction to guests and strangers, and predict the compatibility level when you add another dog to your household. This book also offers invaluable advice on training your new pet, including guidance in housebreaking, selecting a training class, and helping a dog who gets carsick or doesn't like to be home alone. And, if you still experience difficulties with your dog, Sternberg gently discusses the steps you can take.
