

## History of Medicine In India: The Medical Encounters

By Chittabrata Palit Achintya Dutta

2005. Hardcover. Book Condition: New. 355 pages. English The book deals with the medical encounter between eastern and western medicine. So far, Philip Curtin, David Arnold, Ira Klein, Michael Worboys, Ian Catanach, Ralph Nicholas, Paul greenough and Roy McLeod, Mark Harrison among others have represented the western view on this historic encounter. There was no reply from the Indian Scholars on the debate. The current work is the first major attempt to represent the views of the Indian medical historians. It deals with epidemics, public health, traditional medicine and the received western medicine, women's health and many other allied questions. The value of this academic engagement cannot be overemphasized. This is destined to become a standard text for History of Medicine for medical students and general readers of the subject. About The Author:- Dr. Chittabrata Palit, M.A. (Cal), Ph.D. (Cantab), FRAS (London) is a senior professor of history at Jadavpur University, Calcutta. He is an established authority on the subject. He has served as a member of the National Commission for the History of Science (1987-2001), principal investigator of a project on Science and Nationalism for the Indian National Science Academy for the last six years and currently the principal...
