PAULS UNSAINTLY PIONEER ebook.

Beaver's Pond Press. Paperback. Book Condition: New. Paperback. 328 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. On September 27, 1839, the battered body of a middle-aged Irishman was found by some Dakota Indian boys. The corpse washed up along the Mississippi River shore, about seven miles downstream from Fort Snelling near the ancient Indian landmark the non-Indians called Carvers Cave. It was the body of Sgt. John Hays, a popular former soldier, who, prior to his disappearance twenty-one days earlier, had been sharing a log shanty a few miles upriver from the cave with his friend and business partner, Edward Phelan (or Phalen). Before the year was over, Phelan was arrested and charged with the murder of his friend. This is the first book to focus on this historic murder and the first thorough biography of Phelan, a notorious pioneer intimately involved in the making of St. Paul and founding of Minnesota. Was he guilty All investigative reports and records of Phelans trial were mysteriously lost and no newspapers covered the story. However, in 1994, St. Paul historian Gary Brueggemann made an amazing discovery in the Minnesota Historical Society archives: hidden in the papers of Joseph R. Brown was Browns original Justice of the Peace casebook which included his handwritten transcription of the Hays murder hearing. Using this record, other primary sources, and drawing from decades of studying Minnesota and St. Paul history, the author theorizes a logical solution to Minnesotas oldest unsolved murder. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
