Reviews

Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger wrote this book.

GROUNDWOOD BOOKS, Canada, 2016. Hardback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book. Sixteen-year-old Flannery Malone has it bad. She's been in love with Tyrone O'Rourke since the days she still believed in Santa Claus. But Tyrone has grown from a dorky kid into an outlaw graffiti artist, the rebel-with-a-cause of Flannery's dreams, literally too cool for school. Which is a problem, since he and Flannery are partners for the entrepreneurship class that she needs to graduate. And Tyrone's vanishing act may have darker causes than she realizes. Tyrone isn't Flannery's only problem. Her mother, Miranda, can't pay the heating bills, let alone buy Flannery's biology book. Her little brother, Felix, is careening out of control. And her best-friend-since-forever, Amber, has fallen for a guy who is making her forget all about the things she's always cared most about. Flannery included leading Amber down a dark and dangerous path of her own. When Flannery decides to make a love potion for her entrepreneurship project, rumors that it actually works go viral, and she suddenly has a hot commodity on her hands. But a series of shattering events makes her realize that real-life love is far more potent and potentially damaging than any fairy-tale prescription. Written in Lisa Moore's exuberant and inimitable style, Flannery is by turns heartbreaking and hilarious, empowering and harrowing often all on the same page. It is a novel whose spell no reader will be able to resist.
