Investments earning less than the market average of 10 ? Advisors taking fees without meeting your goals? Trading costs and taxes eating up your profits? Brokers not sticking with your investment policy? Emotions freezing you out of the stock market? You can correct these mistakes by using the time-tested strategy proven successful by Warren Buffett. Mr Buffett started with \$6,000 saved from his paper routes and in 60 years, accumulated \$60 billions--about the size of Bolivia s GDP. Mr Buffett s successful strategy is compounding. My wealth has come from a combination of living in America, some lucky genes, and compound interest. Mr Buffett did not say wealth is about picking the next Apple or leveraging derivatives. In fact, he lives in Omaha not Wall Street. Compounding high earnings over time is the strategy we should have learned when we started investing. Compounding is money earning money on its earnings when it is reinvested. Invest your money in businesses sharing profits with you and over time you can reach \$1,000,000. A special IRS-approved account makes...
